

## Farming Issues Poster

\* marked out of 10

- Communication (neatness, organized, complete, spelling)

**4 marks**

- Knowledge (evidence of understanding of issues and emotions) **6 marks**

\* create an 8 ½ x 11" poster that a farmer might have posted around town in the 1920s. The poster should offer some insight into how the farmer feels about the future of the farming industry.

- is the farmer confident and happy? Why?

- is the farmer worried and upset? Why?

\* use the information discussed in class to help display why the farmer feels the way he/she does.
